LIST OF FIGURES

<u>Figure</u>	<u>Page</u>
1 Corps' Missouri River main stem system	30
2 Missouri River System Storage.....	33
3 Approximate breeding range of the least tern in the United States.....	73
4 Approximate breeding and wintering range of the piping plover in North America	81
5 Historic pallid sturgeon range	91
6 Cross section of the Missouri River at Tobacco Bend in 1923 (approximate river mile 588 in today's channelized section) showing the morphological features of the unregulated Missouri River (adopted from Hesse and Sheets 1993)	111
7 Seven maps of the Missouri River in 1893 (adopted from Hesse 1987 as reprinted from Missouri River Commission 1898)	113
8 Relative mean daily water elevation (stage) of the Missouri River at Omaha, Nebraska, 1880-1899 and 1929-1948 (natural hydrograph) and 1966-1985 (regulated hydrograph) (adopted from Hesse and Mestl 1993a).....	114
9 Missouri River ESA Section 7 consultation - river and reservoir segments	127
10 Least tern adult census and fledge ratios 1986 to 1999.....	137
11 Piping plover adult census and fledge ratios 1986 to 1999.....	147
12 Simulated median monthly discharge, Fort Peck reach (1898-1993)	173
13 Simulated median monthly discharge, Garrison reach (1898-1993).....	174
14 Simulated median monthly discharge, Fort Randall reach (1898-1993).....	175
15 Simulated median monthly discharge, Gavins Point Dam - Sioux City reach (1898-1993).....	176

	<u>Page</u>
16 Simulated median monthly discharge, Sioux City - Omaha reach (1898-1993).....	185
17 Simulated median monthly discharge, Omaha - Rulo reach (1898-1993)	186
18 Simulated median monthly discharge, Rulo - Kansas City reach (1898-1993)	187
19 Simulated median monthly discharge, Kansas City - Jefferson City reach (1898-1993).....	188
20 Simulated median monthly discharge, Jefferson City - St. Louis reach (1898-1993).....	189
21 Spawning chronology of Missouri River fishes (1994c).....	190

LIST OF TABLES

<u>Table</u>		<u>Page</u>
1	Annual operating plan restraints for the current water control plan.....	37
2	Minimum daily flow requirements (cfs) for adequate dissolved oxygen.....	40
3	System project information (adopted from 1999-2000 AOP).....	44
4	Kansas River tributary reservoirs	52
5	USGS stream gauges along the Kansas River.....	54
6	Routine maintenance associated with the Missouri River Bank Stabilization and Navigation Project.....	64
7	Missouri and Kansas River sections and segments referred to in the Biological Opinion	126
8	Least tern numbers throughout the range	134
9	Least tern adult census and fledging data by Missouri River segments, 1986-1999.....	136
10	Piping plover adult census and fledging data by Missouri River segments, 1986-1999.....	146
11	Pallid sturgeon stocking from 1994 to 2000	152
12	Median, 90 percent exceedance and mean acres of total wetland habitat	177
13	Summary of interior least tern and piping plover habitat in the upper Missouri River	178
14	Comparison of percent exceedance (percent of time recommended flows are equaled or exceeded) for recommended spring/early summer flows in the unchannelized and channelized Missouri River below Gavins Point Dam	180
15	Miles of warm river aquatic habitat during April-August in riverine reaches below dams in the upper Missouri River	181

	<u>Page</u>
16 Median, 90 percent exceedance and mean physical habitat index for native Missouri River fishes	183
17 Summary of annual average acres flooded for no more than 2 days and 10 days by river reach, during the spring/early summer (May/June) spawning period of native Missouri River fishes in the channelized river (Sioux City, IA-St. Louis, MO).....	193
18 Average daily acres of shallow, slow moving habitat per river mile in unchannelized and channelized reaches of the Missouri River during the young-of-year months for native river fish. Data computed by the Corps from Volumes 7D-S1 and S2, Missouri River Master Water Control Manual Review and Update, August 1998, preliminary Revised Draft EIS	197
19 Least tern and piping plover sandbar habitat acreages on selected Missouri River segments during 1996 and 1998.....	201
20 Missouri River piping plover and least tern egg and nest fates, 1986 to 1999.....	205
21 Endangered species management action priorities for Missouri and Kansas River segments	240
22 Mean acres of shallow water, slow velocity habitat for the month of August and habitat restoration goals/deficits by river segment below Gavins Point Dam.....	242
23 A summary of the pallid sturgeon propagation and augmentation efforts from 1997 through 1999	251
24 Summary of Reasonable and Prudent Alternative, Reasonable and Prudent Measures to Minimize Take, and Conservation Measures.....	273
25 Reporting requirements for Missouri and Kansas River operations and the BSNP.....	283

LIST OF PHOTOGRAPHS

<u>Photograph</u>	<u>Page</u>
Cover - This scene depicts the threatened piping plover, threatened bald eagle, endangered least tern, and endangered pallid sturgeon around a center piece of high quality sandbar and shallow water habitat on the Missouri River.	
1. Sandbar habitat complex below Gavins Point Dam	2A
2. Missouri River barge and tow	32A
3. Recreational use on the Missouri River	40A
4. Channelized river	64A
5. Bald eagle and nest in cottonwood tree	68A
6. Least terns in courtship activity.....	74A
7. Piping plover on sandbar.....	80A
8. Pallid sturgeon.....	88A
9. Tern/plover habitat nesting island.....	110A
10. Kansas River sandbar habitat	124A
11. Reservoir beaches.....	144A
12. Missouri-Yellowstone River confluence.....	152A
13. Habitat restoration - Lisbon Bottoms	162A
14. Fort Peck spillway	180A
15. Historic channel training	184A
16. Jameson Island area.....	196A
17. Monitoring - fish	232A
18. Gavins Point Dam	234A
19. Engineered chute at Hamburg Bend.....	240A
20. Monitoring - birds	248A
21. Fish hatchery operations.....	250A
22. River ecology	268A

LIST OF ACRONYMS/ABBREVIATIONS

<u>Acronym/Abbreviation</u>	<u>Phrase</u>
ac	acre
ACT	Agency Coordination Team
AF	acre-feet
AOP	Annual Operating Plan
AOU	American Ornithologist Union
Assurance	Assurance District
BSNP	Missouri River Bank Stabilization and Navigation Project
C	channalized
°C	Celsius
CFR	Code of Federal Regulations
cfs	cubic feet-per-second
cm	centimeters
cm/s	centimeters/second
CMFO	Columbia Missouri Field Office
Corps	U.S. Army Corps of Engineers
CPUE	catch-per-unit-effort
CRP	Construction Reference Plane
CWCP	Current Water Control Plan
DDE	Dichloro diphenyl dichloroethylene
DDT	Dichloro diphenyl trichloroethane
DEIS	Draft Environmental Impact Statement
DOI	Department of the Interior
DRD	Deputy Regional Director

<u>Acronym/Abbreviation</u>	<u>Phrase</u>
EIS	Environmental Impact Statement
EPA	Environmental Protection Agency
ESA	Endangered Species Act
EWRP	Emergency Wetland Reserve Program
°F	Fahrenheit
FEIS	Final Environmental Impact Statement
FEMA	Federal Emergency Management Agency
FO	Field Office
fps	feet-per-second
FR	Federal Register
ft	feet
FY	fiscal year
GAO	General Accounting Office
GMP	General Management Plans
GSI	Gonadosomatic index
ha	hectares
ICM	Interim Conservation Measures
in	inches
IR	inter-reservoir
KAF	Thousand acre-feet
KCD	Kansas City District
Kcfs	Thousand cubic feet per second
kg	kilograms
km	kilometers
km ²	square kilometer
KR Operations	Kansas River Tributary Reservoir Operations
KWH	Kilowatt hours

<u>Acronym/Abbreviation</u>	<u>Phrase</u>
lbs	pounds
LMR	Lower Mississippi River
LTRM	long-term resource monitoring
LWRP	Low Water Reference Plane
MAF	million acre-feet
MDC	Missouri Department of Conservation
mi	mile
mi ²	square mile
MMR	Middle Mississippi River
MNRR	Missouri National Recreation River
MOU	Memorandum of Understanding
MR Operations	Operation of the Missouri River Main Stem Reservoir System
MR Projects	Three combined actions under consultation
MR	Missouri River
MRNRC	Missouri River Natural Resource Committee
msl	mean sea level
mtDNA	Mitochondrial DNA
MW	megawatts
NBS	National Biological Service
NDFO	North Dakota Field Office
NEPA	National Environmental Policy Act
NFH	National Fish Hatchery
NMFS	National Marine Fisheries Service
NPS	National Park Service
NRCS	Natural Resources Conservation Service
NTU	Nephelometric turbidity units
NWR	National Wildlife Refuge

<u>Acronym/Abbreviation</u>	<u>Phrase</u>
oz	ounce
PCBs	polychlorinated biphenyls
PEIS	Programmatic Environmental Impact Statement
Pick-Sloan Program	Pick-Sloan Missouri River Basin Program
Plover	Great Plains population of the threatened piping plover
R-3	Region 3
R-6	Region 6
R&H	reservoir and headwaters
RD	Regional Director
RHA	Rivers and Harbor Act
RM	river mile
RPA	reasonable and prudent alternative
Service	U.S. Fish and Wildlife Service
SIUC	Southern Illinois University at Carbondale
Sturgeon	endangered pallid sturgeon
System	Missouri River Main Stem Reservoir System
Tern	Interior population of the endangered least tern
UC	unchannelized
USACE	U.S. Army Corps of Engineers
USBR	U.S. Bureau of Reclamation
USFWS	U.S. Fish and Wildlife Service
USGS	U.S. Geological Survey
WAPA	Western Area Power Administration
WRDA 99	1999 Water Resources Development Act
WRDA	Water Resources Development Act
WRP	Wetland Reserve Program

LIST OF SCIENTIFIC NAMES

<u>Common Name</u>	<u>Scientific Name</u>
American Sycamore	<i>Platanus occidentalis</i>
Bald Eagle	<i>Haliaeetus leucocephalus</i>
Bigmouth Buffalo	<i>Ictiobus cyprinellus</i>
Black-billed Magpie	<i>Pica pica</i>
Blue Sucker	<i>Cycleptus elongatus</i>
Box Elder	<i>Acer negundo</i>
Burbot	<i>Lota lota</i>
Channel Catfish	<i>Ictalurus punctatus</i>
Cottonwood	<i>Populus deltoides</i>
Coyote	<i>Canis latrans</i>
Crow	<i>Corvus brachyrhynchos</i>
Domestic Dog	<i>Canis domesticus</i>
Elm	<i>Ulmus spp.</i>
Flathead Catfish	<i>Pylodictis olivaris</i>
Golden Eagle	<i>Aquila chrysaetos</i>
Great Blue Heron	<i>Ardea herodias</i>
Green Ash	<i>Fraxinus pennsylvanica</i>
Gray Bat	<i>Myotis grisescens</i>
Indiana Bat	<i>Myotis sodalis</i>
Lake Sturgeon	<i>Acipenser fulvescens</i>
Least Tern	<i>Sterna antillarum</i>
Mink	<i>Mustela vison</i>
Mulberry	<i>Morus rubra</i>
Old World Little Tern	<i>Sterna albifrons</i>
Opposum	<i>Didelphis virginiana</i>

Common Name

Scientific Name

Paddlefish	<i>Polyodon spathula</i>
Pallid Sturgeon	<i>Scaphirhynchus albus</i>
Peregrine Falcon	<i>Falco peregrinus</i>
Piping Plover	<i>Charadrius melodus</i>
Plains Minnow	<i>Hybognathus placitus</i>
Prairie Rattlesnake	<i>Crotalus viridis viridis</i>
Raccoon	<i>Procyon lotor</i>
Red Cedar	<i>Juniperus virginiana</i>
Red-tailed Hawk	<i>Buteo jamaicensis</i>
Ring-billed Gull	<i>Larus delawarensis</i>
River Carp Sucker	<i>Carpionodes carpio</i>
Russian Olive	<i>Elaeagnus angustifolia</i>
Sauger	<i>Stizostedion canadense</i>
Scaleshell Mussel	<i>Leptodea leptodon</i>
Shorthead Redhorse	<i>Moxostoma macrolepidotum</i>
Shovelnose Sturgeon	<i>Scaphirhynchus platyrhynchus</i>
Sicklefin Chub	<i>Macrhybopsis meeki</i>
Silver Chub	<i>Macrhybopsis storeriana</i>
Smallmouth Buffalo	<i>Ictiobus bubalus</i>
Sturgeon Chub	<i>Macrhybopsis gelida</i>
Willow	<i>Salix spp.</i>

LIST OF APPENDICES

- I) Coordination with federal/state/tribal governments
- II) Routine annual maintenance schedules - Bank Stabilization and Navigation Project
- III) Summary of past impacts to the Missouri River ecosystem
- IV) Population distribution of breeding and wintering bald eagles on the Missouri River main stem
- V) Scientific evaluation of the role of river hydrology in the conservation of Missouri River endangered species
- VI) Contingency plan for protection of least tern and piping plover nests and chicks
