Medicare Program; Changes to the Medicare Claims Appeal Procedures: Correcting Amendment to a Correcting Amendment**AGENCY:** Centers for Medicare & Medicaid Services (CMS), HHS.**ACTION:** Correcting amendment.

SUMMARY: This correcting amendment corrects a technical error in the correcting amendment that appeared in the **Federal Register**, entitled "Medicare Program; Changes to the Medicare Claims Appeal Procedures: Correcting Amendment to an Interim Final Rule."

DATES: *Effective Date:* This correcting amendment is effective September 26, 2005.

FOR FURTHER INFORMATION CONTACT: Arrah Tabe-Bedward, (410) 786-7129.

SUPPLEMENTARY INFORMATION:**I. Background**

We have identified a technical error that appeared in a correcting amendment entitled "Medicare Program; Changes to the Medicare Claims Appeal Procedures: Correcting Amendment to an Interim Final Rule." (70 FR 37700, June 30, 2005) In this correcting amendment, we are correcting that technical error.

II. Correction of Error*A. Technical Correction to the Regulations Text*

In § 405.1020 of the regulation text, we incorrectly stated the section's title as "Time frames for deciding an appeal for a hearing before an ALJ." It should have read, "Time and place for a hearing before an ALJ." We correct this technical error in section B of this correcting amendment.

III. Waiver of Proposed Rulemaking

We ordinarily publish a notice of proposed rulemaking in the **Federal Register** to provide a period for public comment before the provisions of a rule take effect. However, we can waive this

procedure if we find good cause for doing so, and incorporate a statement of this finding and the reasons for it into the rule. A finding that a notice and comment period is impracticable, unnecessary, or contrary to the public interest constitutes good cause for waiving this procedure.

We believe that it is unnecessary to seek public comment on the correction of this editorial error. Further, it is in the public's interest to correct this editorial error because it makes the section more understandable to parties pursuing Medicare appeals under these procedures. Therefore, we find good cause to waive notice and comment procedures.
