## Survey Activities and Geotechnical Investigations (Borings) in Ohio River, Mile 112

1. TO ALL WHOM IT MAY CONCERN: Notice is given that L. Robert Kimball & Associates, contractor for American Electric Power - Mitchell Plant, will be conducting survey activities and geotechnical investigations (borings) in the Ohio River along the left descending bank, Mile 112.0, in Cresap, Marshall County, West Virginia.
2. The work will begin between May 17 and May 21, 2004 and will be completed between May 31 and June 4, 2004. Work will be conducted 8-12 hours/day, Monday through Friday and work could possibly be conducted on Saturday and Sunday.
3. Equipment will be one drill rig mounted on a barge and anchored or secured to mooring cells. During non-working hours, the barge will be moored near the work area at the Mitchell plant. The contractor can be contacted by marine radio on Channels 12, 13 and 16.
4. Navigators, please use caution in and around the area.

FOR THE DISTRICT ENGINEER:
