CELRP-OP
Navigation Notice No. 05-6

Office or Lock 6 between the hours of 8:00 A.M. and 3:00 P.M., Monday through Friday, at one of the following telephone numbers:

- a. Locks & Dams Area Office, (412) 395-7650
- b. Lock 6, Allegheny River, (724) 295-3775

7. No appointment lockages will be made between 11:00 P.M. and 6:30 A.M. at Locks 5 through 9. No appointments will be accepted for lockages that would occur during this 7-1/2 hour period.

8. Waterway users are cautioned that warning signs and pillar buoys will not be set until approximately mid-May due to high river flows. Since the navigation aids may, at time, move off station during the year because of river conditions, boaters must approach all locks with extreme care, especially when proceeding downstream. Everyone is urged to consult their navigation charts to be absolutely sure of the landmarks when approaching a lock and dam.

9. Boaters, fishermen, divers, and others venturing below the dams are cautioned not to enter the restricted area as designated by the signs and "KEEP OUT" buoys. Backwash and turbulence from the dam may draw a boat into the dam, causing it to capsize.
