Notice No. 05-23

Date: July , 2005

Dismantle Pipeline on Port Perry Railroad Bridge Above Lock 2, Mile 11.7, Monongahela River

1. **TO ALL WHOM IT MAY CONCERN:** Notice is given that River Salvage Company, Inc. will be dismantling a pipeline on the Port Perry Railroad Bridge above Lock 2, at Mile 11.7, Monongahela River.
2. The work will begin on or about July 25, 2005 and will be completed on or about November 14, 2005. Work will be conducted during daylight hours, four days a week, Monday through Thursday.
3. Equipment involved in the operations will be a towboat, a deck barge with a hydraulic crane, a spud barge and a hopper barge. The towboat will be monitoring marine band VHF Radio transmissions and will coordinate crossing and passing. During non-working hours the equipment will be secured out of the navigation channel. No channel closure is envisioned.
4. Navigators, please use caution in and around the area.

FOR THE DISTRICT ENGINEER:
