Notice No. 08-7

Date: March 28, 2008

---

**Installation of 12.5 KV Aerial Power Line**  
**By Allegheny Power Company**  
**Crossing the Monongahela River, Mile 96.2**

1. **To All Whom It May Concern:** Notice is given that Allegheny Power Company will be installing an aerial power line crossing over the Monongahela River at Mile 96.2, to provide electrical service to the Longview Power Station near Granville, Monongalia County, West Virginia.
2. The work will be performed from 9:00 a.m. to 7:00 p.m. beginning Wednesday, April 9, 2008 and ending Thursday, April 10, 2008.
3. During this work, the Fort Martin Power Station towboat will be on site and will be kept out of the channel during non-working hours. Other vehicles including a 4WD utility vehicle, tensioner, puller and wire trailers, take-up reels, etc. will remain on the banks of the river.
4. Navigators, please use caution in and around the area.
