REGULATORY DIVISION

Refer to: P/N #2006-1518-3IT (Revised)

April 6, 2007

This project, originally advertised on July 21, 2007, is for a one-time maintenance dredging of a private docking facility in the Atlantic Intracoastal Waterway adjacent to Lot 99, 4206 Gray Heron Drive, Barefoot Resort, North Myrtle Beach, Horry County, South Carolina 29582. The applicant has requested that the project revision, issued on December 8, 2006, be further revised to reflect a change in the method of disposal. To eliminate double handling, the dredged material will be placed directly on a barge and then trucked to 2041 West Bear Grass Road, Longs, Horry County, South Carolina. All other aspects of the project remain as originally advertised.

In order to give all interested parties an opportunity to express their views

**NOTICE**

is hereby given that written statements regarding the proposed work will be received by both of the above mentioned offices until

**12 O'CLOCK NOON, MONDAY, APRIL 16, 2007**

from those interested in the activity and whose interests may be affected by the proposed work. If there are any questions concerning the revision to public notice, please contact Jay M. Thomas at 843-365-4239.
