To construct a pier and floating dock in the Wando River, Berkeley County, South Carolina.

Following the public notice for this project the applicant has made modifications to the originally proposed project. The modifications include increasing the size of the fixed timber walkway to be 4' x 160' (originally noticed as 4' x 137'), which will move the floating dock and pier head further channel ward. Additionally, two (2) 10' x 12' boat lift has been proposed, one associated with each proposed floating dock, which are located landward of the floating docks. The attached drawings represent the revisions requested by the applicant.

In order to give all interested parties an opportunity to express their views

**NOTICE**

is hereby given that written statements regarding the proposed work will be received by both of the above mentioned offices until
