

## ATTENTION YACHTS AND CRUISERS

Welcome to the Tennessee-Tombigbee Waterway! Please remember that any damage caused or hazard created by a wake is the responsibility of the person creating that wake. Please watch out for:

- Small fishing boats in nearby waters
- Small boats tied to the shoreline at hunting areas
- Boat Ramps and Boat Docks

The following is a list of developed areas where boat ramps and boat docks are concentrated or especially vulnerable to damage by wakes:
