

Use of Government Vehicles at Domicile

Personnel in receipt of temporary duty (TDY) orders who are authorized to travel by government owned or controlled vehicles to/from the temporary duty location may be authorized overnight retention of a Government Vehicle at their residence under certain circumstances. Overnight retention and next day departure from an individual's residence may be authorized where it has been determined that it is more cost effective to the Government to provide an employee a vehicle from home to work. The basic consideration will be that the employee would have to travel a long distance to pick up the vehicle and then turn around and drive back in the same direction to proceed to the temporary duty site.

Authorization will be in writing and approved by order issuing authorities and/or Commanders or Primary and Secondary Level Field Activities.
