DEPARTMENT OF DEFENSE EDUCATION ACTIVITY
POLICY MEMORANDUM

SUBJECT: Educator Career Program

Based on current and projected school closures and other reductions in staffing, competitive and lateral movement through the Educator Career Program, DoDEA Regulation 5335.9, "Revised Qualification Standards for DoDDS Administrators" is indefinitely suspended. This will allow us to focus our efforts on finding positions for displaced administrators. Should there be a need to fill a principal or assistant principal position through a competitive process; Area Directors are authorized to issue individual vacancy announcements for such positions. In such a case, educators may use their current Educator Career Program applications rather than completing a narrative for any knowledge, skills, abilities, beliefs, or practices addressed in the vacancy announcement.

This policy is effective immediately.
