This matter is before the court upon Plaintiff's Motion for Approval of the Stipulation of Compromise Settlement. A hearing was held on January 25, 1994. The court, having heard the argument of counsel and being fully advised, is of the

opinion that the motion should be granted. In approving and entering the Stipulation of Compromise Settlement, the court declines, at this time, to rule on any other aspect of this litigation. It is therefore,

**ORDERED**, that the Plaintiff's Motion for Approval of the Stipulation of Compromise Settlement be **GRANTED** and that the Stipulation of Compromise Settlement be **APPROVED and ENTERED** this 7<sup>th</sup> day of February, 1994.

**AND IT IS SO ORDERED.**
