Value Proposition

To facilitate collaboration and knowledge sharing across organizational boundaries to support the acquisition workforce in achieving mission goals.

Who Should Use It?

YOU—public and private team members who are involved in the procurement process. The site facilitates faster, better informed business decisions by providing resources, learning assets, and information.

Why Use It?

- Leverages and facilitates the capture and re-use of existing knowledge assets and resources within the Federal Government
- Aligns and supports the most current legislative and policy requirements
- Available 24/7 and provides quick access to the latest policy and guidance information
- Integrates knowledge from most departments and agencies
- Offers senior leadership involvement and support
- Facilitates the rapid identification of individuals with specific knowledge or skills

Providing a Multi-Dimensional Learning Environment.
