FOIA Reading Room Certification

a. Internal Review of Agency FOIA Reading Room

On behalf of the Corporation for National and Community Service (Corporation), I have reviewed the Corporation's FOIA Reading Room to determine if it complies with the legal requirements established for FOIA Reading Rooms.

b. Any Reading Room Deficiencies Addressed

The "final orders and opinions, policy statements and administrative staff manuals and instructions" section, which was not previously listed as a category, has now been added. In addition, the "frequently requested documents" category is now listed as a separate category.

c. Certification

This is to certify that after reviewing and remedying the noted deficiencies, the Corporation's FOIA Reading Room complies with the requirements of the FOIA.
