

DEPUTY UNDER SECRETARY OF DEFENSE FOR
LOGISTICS AND MATERIEL READINESS
3500 DEFENSE PENTAGON
WASHINGTON, DC 20301-3500

JUL 28 2008

MEMORANDUM FOR DIRECTOR, DEFENSE LOGISTICS AGENCY

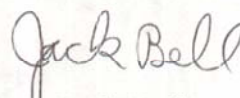

SUBJECT: Assessment of DoD Logistics Roadmap Objectives

The recently published DoD Logistics Roadmap establishes objectives and defines actions underway that build upon the three logistics goals in the Guidance for Development of the Force. To provide a strategic review of our progress toward achieving the goals and objectives, an assessment of the objectives to identify capability gaps, shortfalls, redundancies, and recommended solutions is essential.

Consistent with your responsibilities as the Capability Area Manager for Supply, I request that you conduct Department-wide assessments of the Supply objectives, as delineated in the Roadmap. The team should begin by assessing Objective 1.2 – Effective Procurement Processes. This initial assessment should be a 90-day effort that will identify performance measures for the objective, determine how the current programs and initiatives contribute to achieving that objective, and provide results to senior logistics leaders in November 2008.

Maintenance and Deployment/Distribution will also conduct assessments in their respective functional areas, beginning with one objective. In addition to providing recommendations concerning the individual objectives, your collective efforts will help refine and standardize the methodology for completing assessments of the remaining objectives. Results of the assessments will also be an integral part of an ongoing feedback process linked to the Quadrennial Defense Review and the Planning, Programming, Budgeting, and Execution cycles.

The ADUSD(SCI) Roadmap Team has documented an assessment approach and will provide training and assistance to your assessment team lead and the joint community of interest throughout the assessment process. Please provide the name of your assessment lead, by July 30, 2008, to my point of contact, Ms. Debra Bennett, who can be reached by phone at (703) 604-0098 x201 or e-mail at debra.bennett@osd.mil.
