

JERRY COLANGELO
USA Freedom Corps - Volunteering PSA

(:60)

This is Jerry Colangelo, Chairman of the NBA's Phoenix Suns. I've been an executive in major league sports most of my adult life. My teams have won trophies and titles. But the title I am most proud of is that of Volunteer.

I experienced the great satisfaction that comes from sharing while growing up in an ethnic neighborhood of Chicago. None of us had much in those days, and what we had, we shared. Helping others became part of who we were.

Today, I volunteer, and I encourage the members of my teams to do the same. From star athletes to office staff, we all give our time and abilities to worthwhile causes in our communities. No matter who you are, or what you have to give – you can give it as a volunteer.
