Dear Mr. Chairman,

**SUBJECT: Savannah River Site (SRS) Life-Cycle Liquid Waste Disposition System  
Plan, Revision 14**

Please find the enclosed SRS Life-Cycle Liquid Waste Disposition System Plan, Revision 14. The System Plan is required by Commitment 3.11 of Recommendation 2001-1. My staff has worked closely with the Department of Energy Headquarters (HQ) Office of Environmental Management and other HQ program offices on developing the revision to this Plan.

If you have any questions, please contact me or have your staff contact Terry Spears at (803) 208-6072.

Sincerely,

A handwritten signature in black ink that reads "Jeffrey M. Allison".
