

Cedar Ridge

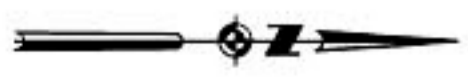

Sites 3-101

All sites have electrical and water hook-ups
Non-reservable sites: 19 through 24, 58 through 60

Inclement Weather:

- Shower buildings and restrooms are NOT storm shelters. However, the brick facilities offer a degree of protection against heavy storms.
 - In the event of a Tornado Warning, seek shelter below ground level (ditch/culvert)
 - A weather radio is located at the shower building.
 - Periodically check local stations when skies are threatening.
- In Case of Emergency:**
- Dial 911
 - Directions to area hospitals are located at fee booths and shower buildings
- Reserve your site today! Phone the National Recreation Reservation Service toll-free at 1-877-444-6777, or reserve through the Internet at www.reserveusa.com**
- For other information, contact the USACE Clinton Lake Project Office at 1-785-843-7665, 872N 1402 Road, Lawrence, KS, 66049-9048**
