All Regions

Enclosed are the 2006 Summer Food Service Week Proclamations you requested.

This year, Summer Food Service Week will be June 4-10, 2006. The week long observation is designed to help raise awareness of program benefits, promote greater participation in communities, and most importantly, to increase the number of children receiving nutritious meals during the summer. In addition, Tuesday, June 6, 2006 marks America's Second Harvest's National Hunger Awareness Day. For more information on the national event and activities in your state visit www.hungerday.org.

It is our hope that this proclamation has reached you early enough to be useful as a marketing tool for local and regional events. If you have any questions or concerns, please contact Keith Churchill or Julie Brewer.
