

Comments on Transcripts from January 2007 Meetings

This webpage contains the transcripts of four public meetings held throughout the country in January 2007. The purpose of the meetings was to provide Tribal and State officials an opportunity to meet with senior Food and Nutrition Service (FNS) officials and comment on a preliminary proposal for a new methodology for allocating FDPIR administrative funds, which was developed by a Tribal/State/FNS work group in November 2006. The transcripts were prepared by professional stenographers. Anyone wishing to submit comments on the wording contained in the transcripts should submit their comments to Nancy Theodore at nancy.theodore@fns.usda.gov. Below are comments that have been submitted:
