DFARS Transformation

The Department of Defense is conducting a major transformation initiative to identify dramatic improvements and reductions to procurement policies, procedures and processes in the Defense Federal Acquisition Regulation Supplement (DFARS).

Under the direction of the Director of Defense Procurement and Acquisition Policy, Ms. Deidre Lee, we have established a Task Force

Background:

- DFARS, the Regulation –**
- Clear requirements/procedures of law
 - Mandatory DoD-wide policy
 - Deviations from FAR
 - Flexible decision processes
- Procedures and Guidance –**
- Common instructions, procedures and information
 - Decision making support
 - Internal to DoD – no significant impact on public

PROPOSAL

- Create non-regulatory “Procedures and Guidance”
- Internal guidance, instructions and procedures (optional and mandatory)
- No significant impact on public
- Not a codified federal regulation
- Fundamental approach to meet AT&L objectives

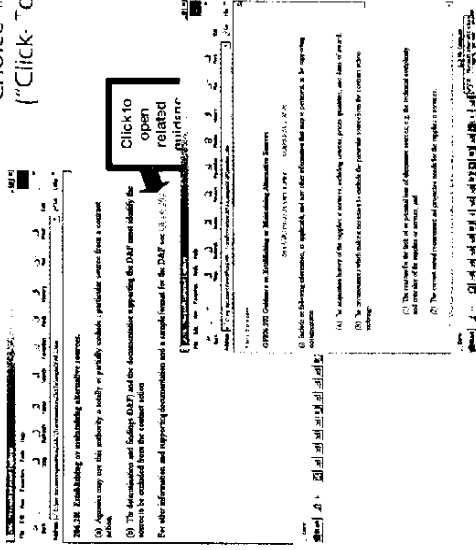

VALUE

- Fosters an environment of flexibility and innovation
- More responsive to customer needs
- Shortens DAR Council processes
- Supports rapid change process

APPROACH

- Develop clear objectives
- Seamless access (Web based)
- Managed content (DAR Council direction and processes)
- Demonstrate alternative technical solutions before implementation
