### Food and Nutrition Service

*Title:* Report of Food Stamp Benefit Issuance and Commodity Distribution for Disaster Relief.

*OMB Control Number:* 0584-0037.

*Summary of Collection:* The Emergency Food Stamp Assistance Program is authorized by the Disaster Relief Act of 1970; the Food Stamp Act, as amended; and Part 274 of the Food Stamp Program regulations. The Food and Nutrition Service (FNS) initiate this program in a food stamp project area when all or part of the area has been affected by a disaster. Food distribution in disaster situations is authorized under Section 32 of the Act of August 24, 1935. Surplus foods are made available by State distributing agencies for relief purposes to victims of natural disasters such as hurricanes, floods, tornadoes, etc. Distribution to these recipients is made primarily through such organizations as the American Red Cross or the Salvation Army. These organizations use surplus foods for both central feeding operations and for distribution to families in homes cut off from normal sources of food supply. Form FNS-292 will be used by State welfare departments to report to FNS the number of households and persons who were certified for Emergency Food Stamp Assistance, and also to report the value of benefits issued to those households.

*Need and Use of the Information:* FNS will collect information through the use of form FNS-292, which is used by the FNS Administrator, the Food Distribution Division, and the three Food Stamp Program divisions to monitor program activity, assess coverage provided to needy recipients, and to prepare budget requests. If the information were not collected, FNS would be unable to monitor the issuance of food stamp benefits and the distribution of surplus foods during disaster situations.
