

Emergency Conservation Program

2003 Fiscal Year
Statistical Summary

PREFACE

The Emergency Conservation Program (ECP) is authorized in Title IV of the Agricultural Credit Act of 1978, Public Law 95-334, approved October 1, 1978. Funding for the program is appropriated by the Congress.

The ECP provides emergency funds for sharing with farmers and ranchers the cost of rehabilitating farmland damaged by wind, erosion, floods, hurricanes, or other natural disasters, and for carrying out emergency water conservation measures during periods of severe drought.

The Farm Service Agency (FSA) of the United States Department of Agriculture (USDA) administers the ECP. The county FSA committees may implement the ECP when conditions so warrant (except for drought) with concurrence by the State FSA committee. For severe drought, the designation shall be determined by the Deputy Administrator for Farm Programs, FSA.

This summary contains the National and State data for all practice payments made during the 2003 fiscal year and, also, cumulative data from years 1952 through 2003.

USDA prohibits discrimination in all its programs and activities on the basis of race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation, or marital or family status. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA=s TARGET Center at (202) 720-2600 (voice and TDD).

To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, Room 326-W, Whitten Building, 1400 Independence Avenue, SW, Washington, DC 20250-9410 or call (202)720-5964 (voice and TDD). USDA is an equal opportunity provider and employer.
