Re: The CEC Council's review of the operation of Council Resolution 00-09

Dear Ms. Tingley:

As you are aware, the review of Council Resolution 00-09 is under preparation. On behalf of the Alternate Representatives, and as promised in our April 12th, 2004 letter, I would like to provide the Joint Public Advisory Committee with an opportunity to comment on the attached draft report prior to finalizing the report.

This is an important issue for the Council, and we would like to have a final report available in time for the 2004 Council Session. For this reason, we ask that these comments be sent to the Council on or before Wednesday, June 9th, 2004.

Sincerely.
