I. Identification

Description of the product: _____

Milk/ingredients of (species): _____

Nature of packaging: _____

Number of packages: _____ Net weight: _____

II. Origin

Address and approval number of the producer: _____

III. Destination

The product will be sent

From: _____ To: _____
(place of loading) (country and place of destination)By the following means of transport: _____
(the flight number or the name of ship)

Container No.: _____ Seal No. _____

Name and address of consignor : _____

Name and address of consignee : _____

IV. Declaration

I, the undersigned official veterinarian hereby certify that:

1. The producer is a plant which is approved by the Veterinary Services of the United States for the production of milk replacers⁽¹⁾ / milk products⁽¹⁾ for the local market as well as for export to Israel and supervised by an official or accredited veterinarian;
2. No cases of diseases, transmissible through milk or milk products, specific to the species included in List A of the OIE code have been diagnosed within a radius of 30 kms from the processing plant during the last 6 months prior to shipment;
3. The products do not contain any material derived from animal tissues, excluding milk protein;
4. The milk/milk-based product referred in this certificate has undergone:
 - a. a sterilisation process whereby a Fo value equal to or greater than 3 was achieved⁽¹⁾, or
 - b. a process involving heating to _____ (temp.) for _____ (time), which ensured a negative reaction to the phosphatase test, and
 - (1) a dry process, in the case of dried milk or dried milk-based product⁽¹⁾, or
 - (2) an acidification process whereby its pH has been maintained at less than 6 for at least one hour⁽¹⁾;
5. Samples of the product have been examined within 2 weeks prior to shipment and found wholesome and free from pathogenic microorganisms, including Salmonellae;
6. The product has undergone all precautions to prevent recontamination with pathogenic agents after treatment;
7. To the best of my knowledge and belief, the consignment certified herein has not been exposed to radioactive contamination.
