

Health Certificate Number _____

ANNEX 1A

STATE OF ISRAEL
MINISTRY OF AGRICULTURE AND RURAL DEVELOPMENT
VETERINARY SERVICES AND ANIMAL HEALTH

Model Official Certification of Plants
Producing fish feeds intended for export to Israel

The official veterinary authority of the United States hereby certified that:

1. The processing plant _____
(name, address, and official registration number)
is certified by the Veterinary Services of this country as a producer of fish feeds for local use as well as for export to Israel.
2. The processing plant produces fish feeds under the direct supervision of an officially accredited veterinarian.
3. The said plant processes on its premises low risk material only, which does not incorporate any protein derived from mammalian tissues.
4. The raw materials utilized for the production of fish feeds to be exported to Israel are all of local (producer country) origin only.
5. The end products are regularly checked bacteriologically for freedom from pathogenic organisms, including *Salmonella* spp., and are kept and packed in a way that prevents contamination.
