15. I, the undersigned official veterinarian, hereby certify, in accordance with the provisions of Directive 90/539/EEC:

**Health information**

- 1. that the SPF eggs described in this certificate come from chicken flocks which meet the following requirements:
    - (a) they are free from specified pathogens as described in the European Pharmacopoeia <sup>(?)</sup> and all tests and clinical examinations required for this specific status have given favourable results including negative testing results for avian influenza and Newcastle disease carried out within the last 30 days preceding dispatch;
    - (b) they have been clinically examined at least once a week as described in the European Pharmacopoeia <sup>(?)</sup> and no clinical signs or suspicion of disease were detected
    - (c) they have been held for more than six weeks in the following establishment(s) officially approved in accordance with requirements which are at least equivalent to those laid down in Annex II to Directive 90/539/EEC: ..... <sup>(?)</sup>
      - for which the approval is not suspended or withdrawn,
      - which is (are) not subject to any animal health restriction;
    - (d) they have during the period mentioned in (c) had no contact with poultry not meeting the requirements laid down in this certificate or with wild birds.
  - 2. They have been marked as indicated in point 13 of the certificate using coloured ink.
  - 3. That the eggs have been collected from ..... to ..... (dates).
  - 4. That the eggs are transported in disposable boxes used for the first time:
    - (a) which contain only eggs coming from the same establishment;
    - (b) which are clearly marked indicating the following:
      - the name of the country of origin,
      - SPF eggs for diagnostic, research or pharmaceutical use only,
      - the number of eggs,
      - the name, address and approval number of production establishment,
      - the Member State of destination;
    - (c) which are closed in accordance with the instructions of the competent authority in such a way as to avoid any possibility of substitution of the contents and which shall be leak proof.
  - 5. That the containers and vehicles in which the boxes mentioned in point 4 have been cleansed and disinfected before loading in accordance with the instructions of the competent authorities.
16. This certificate is valid for five days.
