## Capacity Building Meeting on Environment, Trade and Sustainable Development for the Latin American and Caribbean Region

Co-sponsored by UNEP Economics and Trade Branch, UNEP Regional Office for Latin America and Caribbean and the Forum of the Ministers of Environment for Latin America and the Caribbean

> in collaboration with the North American Commission for Environmental Cooperation and

the UN Economic Commission for Latin America and the Caribbean

Mexico City, MEXICO

27<sup>th</sup>-28<sup>th</sup> March 2003

#### **Objectives of the Meeting:**

- 1. To identify priorities for capacity building activities and develop a long-term capacity building programme on Environment, Trade and Sustainable Development in the Latin American and Caribbean region.
- 2. To identify a network of regional and sub-regional institutions to assist in undertaking capacity building activities in the Latin American and Caribbean region.
- 3. To develop collaboration of Ministries of the Environment with Secretariats of Trade and Economic agreements to help integrate environmental considerations in their activities.
- 4. To identify key environmental and sustainable development issues related to the WSSD and WTO Work Programme for the Latin American and Caribbean region.
