Travel Arrangements

The CEC would appreciate if participants and their institutions could assist with travel and accommodation costs. Travel and accommodation may be provided in accordance with the "Framework for Public Participation in the Commission for Environmental Cooperation Activities": http://www.cec.org/files/pdf/publications/guide19_en.pdf

ONLY non-profit organizations and individuals from Canada, Mexico or the United States may apply for financial assistance, on a limited basis. Government representatives are not eligible for financial assistance. Funding will be limited to one representative per organization and will be awarded in accordance with the following criteria of the CEC Framework for Public Participation:

- a) Ensuring a wide range of views and interest—public participants should be selected from different sectors representing a broad range of views in each country;
- b) Demonstrated expertise with the topic(s) to be dealt with at the public meeting;
- c) Ability to present specific, concrete and constructive proposals.

I, or the non-profit organization I represent, wish to be considered for financial assistance. I attach a one-page statement of interest demonstrating my expertise—or that of my organization—with the topic(s) to be addressed at the public meeting.

Please verify your passport's expiry date and apply for your visa (if necessary) before you make a request for financial assistance.

• **Do you need financial assistance from the CEC for your travel arrangements?** Yes No

Please note that the CEC will make all travel arrangements for participants who receive financial assistance in order to avoid delays with reimbursements. Please indicate your preferences for the preparation of the itinerary.
