Louisiana Recognized Rigorous Secondary School Programs of Study

The eligibility options for a student graduating from secondary school in Louisiana during the 2007 calendar year are:

- The Louisiana Academic Endorsement to the Standard Diploma
- Louisiana State Scholars. This program, part of the national State Scholars Initiative and patterned after the recommendations of the National Commission on Excellence in Education, requires at least:
 - o Four years of English;
 - o Three years of math (including Algebra I, Algebra II and Geometry);
 - o Three years of lab science (biology, chemistry, physics);
 - o Three-and-one-half years of social studies;
 - o Two years of a language other than English;
 - o One year of Fine Arts Survey; and
 - o One-half year of Computer Science, Computer Literacy, or Business Computer.
- A set of courses similar to the State Scholars Initiative. This program of study requires passing grades in the following:
 - o Four years of English;
 - o Three years of math (including Algebra I and a higher level course such as Algebra II, geometry, or data analysis and statistics);
 - Three years of science (including at least two courses from biology, chemistry or physics);
 - o Three years of social studies; and
 - o One year of a foreign language.
- Advanced Placement (AP) or International Baccalaureate (IB) courses and test scores. This program requires a minimum of two Advanced Placement (AP) or International Baccalaureate (IB) courses in high school and a minimum passing score on the exams for those classes. Students must score 3 or higher on AP exams and 4 or higher on IB exams.
- Louisiana's TOPS/Regents High School Core Curriculum. This program requires:
 - o Four years of English;
 - o Three years of Math (including Algebra I and II);
 - o Three years of Science (including Biology and Chemistry);
 - o Three years of Social Studies, Civics and Free Enterprise;
 - One year of Fine Arts Survey (or performance, dance, theater, visual or student arts courses);
 - o Two years of the same foreign language; and
 - o One-half year of computer science course work.

- Standard Diploma with Career and Technical Endorsements, for those students who have completed the TOPS/Regents High School Core Curriculum. This program requires the same coursework as identified in the TOPS/Regents High School Core Curriculum, in addition to the Standard Diploma with Career and Technical Endorsements:
 - o Four years of English;
 - o Three years of Math (including Algebra I and II);
 - o Three years of Science (including Biology and Chemistry);
 - o Three years of Social Studies, Civics and Free Enterprise;
 - One year of Fine Arts Survey (or performance, dance, theater, visual or student arts courses);
 - o Two years of the same foreign language; and
 - o One-half year of computer science course work
