Dear Library Media Specialist/Librarian:

The National Center for Education Statistics (NCES) of the U.S. Department of Education requests your participation in the library media specialist/librarian component of the 1993–94 Schools and Staffing Survey. Your school is one of 7676 public and private schools across the nation selected to be in the sample. This is the first federally sponsored questionnaire on the library media specialist profession. The survey is designed to provide a national picture of the library media specialist profession. The data will be used by legislators, policymakers, and researchers.

The U.S. Bureau of the Census is conducting the survey for NCES by the authority of Section 406(b) of the General Education Provisions Act, as amended (20 USC 1221e). The data will be treated as confidential and will be reported only in statistical summaries so that individuals participating in the survey cannot be identified.

The survey form was developed in consultation with the American Library Association (ALA) and the American Association of School Librarians (AASL). We are conducting this survey with just a sample of schools in order to minimize overall response burden. I, therefore, encourage you to participate in this voluntary survey by completing this questionnaire and returning it within 2 weeks to the **Bureau of the Census, Current Projects Branch, 1201 East 10th Street, Jeffersonville, IN 47132-0001**. A preaddressed envelope is enclosed for your convenience.

Thank you for your cooperation in this very important effort.

Sincerely,

Emerson J. Elliott Commissioner

National Center for Education Statistics
