

SDDC OPERATIONS CENTER

CUSTOMER ADVISORY

July 27, 2006

CA-06-07/27-0143

**Subject:** Use of the Electronic Transportation Acquisition (ETA) system when preparing and responding to Transportation Discrepancy Report (TDRs)

**Purpose:** To request all DoD shipping and receiving activities to enter and respond to TDRs through the ETA system

**Be Advised:** All shippers and receivers must use the ETA system to enter and respond to TDRs. The Military Surface Deployment and Distribution Command (SDDC) and shippers will no longer accept manually prepared TDRs. To register for an ETA password go to the SDDC website and select ETA. You must have your DODAAC and GBLOC before registering for a password. Shippers and receivers that receive TDRs by mail must send them back to the sender and request they enter the TDR through the ETA system.

**POC:** Ms. Pamela Mainor, CML (757) 878-8622, DSN 826, email [mainorp@sddc.army.mil](mailto:mainorp@sddc.army.mil)
