

Commodity Barter Purchases

JANICE FITZGERALD
FNS/FDD Systems Branch

Barter Purchases

- Commodities purchased as the result of barter or proceeds of surplus bulk commodities i.e. cotton, wheat or rice
- Currently purchases are being made by The Seam a 3rd party auction house

What this means to you

- ECOS used to enter and receipt for orders
- Orders coded as bonus either G, H or P
- Purchases not processed thru PCIMS, will not see the normal status codes (CI, CN or SH)
- ND number not generated
- Delivery Notices generated by the Seam and sent via email from the ECOS Help Desk
- Contact Commodity Complaint Hotline for delivery and/or product quality issues
