*Catalog of Federal Domestic Assistance (CFDA) Number: 84.938H.*

*Dates: July 16, 2007.*

*Deadline for Transmittal of Pre-Application: July 27, 2007.*

*Deadline for Transmittal of Applications: August 17, 2007.*

**Full Text of Announcement**

**I. Funding Opportunity Description**

*Purpose of Program:* To provide grants to institutions of higher education (IHEs), as defined in section 101 or section 102(c) of the Higher Education Act of 1965, as amended (HEA), that are located in an area in which a major disaster was declared related to Hurricanes Katrina or Rita that were forced to close, relocate, or significantly curtail their activities as a result of damage directly caused by the hurricanes. These Hurricane Education Recovery Awards can only be used to defray expenses, (including lost revenue, reimbursement for expenses already incurred, and construction) incurred as a direct result of Hurricanes Katrina or Rita, and for payments to enable affected IHEs to provide grants to students who attend such IHEs for academic years beginning on or after July 1, 2006.

*Supplementary Information:* Under the Emergency Supplemental Appropriations and Additional Supplemental Appropriations for Agricultural and Other Emergency Assistance for the Fiscal Year Ending September 30, 2007, and for Other Purposes (Pub. L. No. 110-28), only IHEs as defined in section 101 or section 102(c) of the HEA that are located in an

area in which a major disaster was declared in accordance with section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act related to Hurricanes Katrina and Rita, and that were forced to close, relocate, or significantly curtail their activities as a result of damage directly caused by the hurricanes may receive awards. The area for which a major disaster was declared in accordance with section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act related to Hurricanes Katrina and Rita includes the States of Louisiana and Mississippi and certain counties in the States of Alabama, Florida, and Texas. A list of these counties is available at: [http://www.fema.gov/hazard/hurricane/hu\\_recovery.shtm](http://www.fema.gov/hazard/hurricane/hu_recovery.shtm).

Hurricane Education Recovery Awards can only be used to defray expenses, including lost revenue, expenses already incurred, and construction expenses directly related to damage resulting from Hurricanes Katrina or Rita and for payments to enable affected IHEs to provide grants to students who attend such IHEs for academic years beginning on or after July 1, 2006. These grants are awarded under the authority of the Fund for the Improvement of Postsecondary Education authorized by title VII, part B of the HEA.

Public Law No. 110–28 authorizes the Department to make these funds available based on criteria established by the Secretary. Accordingly, the Secretary establishes and will consider the following criteria in allocating these funds: expenses that would have been covered by revenues lost by the IHE as a direct result of the hurricanes; expenses incurred by the IHE in remedying the effects of the hurricanes; the costs of construction associated with physical damage caused by the hurricanes; any amount of any insurance settlement or other reimbursement received including from a Federal or other relief agency; and the number of Pell Grant recipients enrolled at the IHE at any time during the 2005–06 and 2006–07 award year. IHEs must include information responsive to each of these criteria in their pre-applications.

#### *Waiver of Proposed Rulemaking:*

Under the Administrative Procedure Act (APA) (5 U.S.C. 553), and section 437 of the General Education Provisions Act (GEPA) (20 U.S.C. 1232), the Department generally offers interested parties the opportunity to comment on proposed program requirements. However, Pub. L. No. 110–28 specifically exempts criteria established by the Secretary for the award of funds

under this program from the rulemaking requirements of the APA and GEPA.

*Program Authority:* 20 U.S.C. 1138–1138d.

*Applicable Regulations:* The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 82, 84, 85, 86, 97, 98, and 99.

2. *Content and Form of Application Submission:* Requirements concerning the content of an application, together

with the forms you must submit, are in the application package for this competition.

*Pre-Application:* IHEs intending to submit an application for a Hurricane Education Recovery Award must first complete and submit a pre-application data information form from which institutional allotments will be calculated. Data forms and instructions can be downloaded from: <http://www.ed.gov/OPE> (click on the Hurricane Education Recovery Awards link). Complete the form and send it to: <http://HERA2.ed.gov> by the date established under Pre-Application Deadline. Within one week of the Pre-Application Deadline, the Department will calculate the applicant IHE's allotment and e-mail the amount back to the contact person identified on the form. IHEs will then have until August 17, 2007 to submit their application and budget through the e-Application system.

*Page Limit:* The application narrative (Part III of the application) is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. You must limit Part III to the equivalent of no more than 25 pages, using the following standards:

- A “page” is 8.5” x 11”, on one side only, with 1” margins at the top, bottom, and both sides.

- Double space (no more than three lines per vertical inch) all text in the application narrative, including titles, headings, footnotes, quotations, references, and captions, as well as all text in charts, tables, figures, and graphs.

- Use a font that is either 12 point or larger or no smaller than 10 pitch (characters per inch).

- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial. Applications submitted in any other font (including Times Roman and Arial Narrow) will not be accepted.

The page limit does not apply to Part I, the cover sheet; Part II, the budget section, including the narrative budget justification; Part IV, the assurances and certifications; or the one-page abstract, the curricula vitae (3-page, condensed vitae are preferred), the bibliography, or the letters of support. However, you must include all of the application narrative in Part III.

We will reject your application if—

- You apply these standards and exceed the page limit; or
- You apply other standards and exceed the equivalent of the page limit.

3. *Submission Dates and Times:*

*Applications Available:* July 16, 2007.

*Deadline for Transmittal of Pre-Application:* July 27, 2007.

*Deadline for Transmittal of Applications:* August 17, 2007.

Applications for grants under this program must be submitted electronically using the Grants.gov Apply site (Grants.gov). For information (including dates and times) about how to submit your application electronically or by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to section IV. 6. *Other Submission Requirements* in this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII in this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual's application remains subject to all other requirements and limitations in this notice.

4. *Intergovernmental Review:* This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this program.

5. *Funding Restrictions:* We reference regulations outlining funding restrictions in the *Applicable Regulations* section of this notice.

6. *Other Submission Requirements:* Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. *Electronic Submission of Applications.*

Applications for grants under the Hurricane Education Recovery Awards must be submitted electronically using the Governmentwide Grants.gov Apply site at: <http://www.Grants.gov>. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the

electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

You may access the electronic grant application for Hurricane Education Recovery Awards at: <http://www.Grants.gov>. You must search for the downloadable application package for this competition by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.326, not 84.326A).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.
- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted, and must be date and time stamped by the Grants.gov system no later than 4:30 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not consider your application if it is date and time stamped by the Grants.gov system later than 4:30 p.m., Washington, DC time, on the application deadline date. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov at: <http://eGrants.ed.gov/help/GrantsgovSubmissionProcedures.Pdf>.

- To submit your application via Grants.gov, you must complete all steps

in the Grants.gov registration process (see [http://www.grants.gov/applicants/get\\_registered.jsp](http://www.grants.gov/applicants/get_registered.jsp)). These steps include (1) Registering your organization, a multi-part process that includes registration with the Central Contractor Registry (CCR); (2) registering yourself as an Authorized Organization Representative (AOR); and (3) getting authorized as an AOR by your organization. Details on these steps are outlined in the Grants.gov 3-Step Registration Guide (see <http://www.grants.gov/section910/Grants.govRegistrationBrochure.pdf>). You also must provide on your application the same D-U-N-S Number used with this registration. Please note that the registration process may take five or more business days to complete, and you must have completed all registration steps to allow you to submit successfully an application via Grants.gov. In addition you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. Please note that two of these forms—the SF 424 and the Department of Education Supplemental Information for SF 424—have replaced the ED 424 (Application for Federal Education Assistance).

- You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a

second notification to you by e-mail. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

*Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System:* If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30 p.m., Washington, DC time, on the application deadline date, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII in this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

**Note:** The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

*Exception to Electronic Submission Requirement:* You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the Grants.gov system; and
- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Cassandra Courtney, Fund for the Improvement of Postsecondary Education, U.S. Department of Education, 1990 K Street, 6th Floor, NW., Washington, DC 20006-8544, FAX: (202) 502-7877.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

*b. Submission of Paper Applications by Mail.*

If you qualify for an exception to the electronic submission requirement, you may mail (through the U.S. Postal Service or a commercial carrier) your application to the Department. You must mail the original and two copies of your application, on or before the application deadline date, to the Department at the applicable following address:

- (3) A dated shipping label, invoice, or receipt from a commercial carrier.

(4) Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark.
- (2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

**Note:** The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

*c. Submission of Paper Applications by Hand Delivery.*

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application by hand, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: CFDA Number 84.938H, 550 12th Street, SW., Room 7041, Potomac Center Plaza, Washington, DC 20202-4260.
