NOTICE TO THE TRADE

BCD-133
DDOD-197
EOD-176
WLED-14

DATE: August 4, 2006
TO: Vendors, Warehouse Operators and Other Interested Parties
SUBJECT: Use of Federal Register Notices

For several years, the Commodity Credit Corporation (CCC) and Farm Service Agency (FSA) have used Notices to the Trade to disseminate information regarding program announcements.

Effective with the issuance of this notice, Commodity Operations will disseminate program announcements through notices posted on the National Archives and Records Administration's Office of the Federal Register, however, information relating to commodity procurements will be conveyed through solicitation documents. The Federal Register (FR) is the official daily publication for rules, proposed rules, and notices of Federal agencies and organizations, as well as executive orders and other presidential documents. This information may be accessed on the FR website at <http://www.gpoaccess.gov/fr/index.html>.

FR notices, regulations and other pertinent information relative to your operations initiated by the Deputy Administrator for Commodity Operations (DACO) will be posted on DACO's website at <http://www.fsa.usda.gov/daco/>. As a matter of interest, several recent FR notices and regulations have already been posted. If you would like to receive an automatic email each time information is published that relates to Commodity Operations, please visit <http://www.fsa.usda.gov/daco/subscribe.asp> and follow the simple instructions to sign up for the appropriate list(s). If you have any questions regarding the list server, please contact Donna Walker at donna.walker@kcc.usda.gov or send an e-mail to webteam@fsa.usda.gov or call 1-800-255-2434.

Sincerely,

Bert Farrish
Deputy Administrator for Commodity Operations
