Subject: Immigration Benefits: Fourth Report Required by the Haitian Refugee Immigration Fairness Act of 1998

This letter responds to certain requirements of the Haitian Refugee Immigration Fairness Act of 1998¹ (HRIFA) that authorized certain Haitian nationals and their dependents to apply to adjust their status to legal permanent residence. Section 902(k) of the act requires the Comptroller General to report every 6 months on the number of Haitian nationals who have applied and been approved to adjust their status to legal permanent residence. The reports are to contain a breakdown on the numbers who applied and the number who were approved as asylum applicants, parolees, children without parents, orphaned children, or abandoned children or as the eligible dependents of these applicants, including spouses, children, and unmarried sons or daughters. Reports are to be provided until all applications have been finally adjudicated. This is our fourth report.²

Results in Brief

As of September 30, 2000, the Immigration and Naturalization Service (INS) had received a total of 35,257 HRIFA applications and had approved 263 of these applications. The Executive Office for Immigration Review (EOIR) had 95 HRIFA applications filed and had approved 65 of them. Details on the categories of the applicants and approvals are provided in this report.

Background

Haitian applicants are to send their applications to INS' Nebraska Service Center in Lincoln, NE. INS' contractor at the service center is responsible for processing the applications up to the point of their adjudication by INS examiners. An application may be adjudicated at the service center or in the INS district with jurisdiction over the area where the alien applicant resides. Generally, applications that are complete and evidentially sufficient can be adjudicated at the service center, according to INS officials. If an interview is required or other issues need to be resolved, the application is to be forwarded to the appropriate INS district where the applicant can be interviewed and the application adjudicated. Data on Haitian applicants are to be entered in INS' Computer Linked Application Information System (CLAIMS).

Haitian nationals who are eligible for HRIFA should file their applications with EOIR rather than INS if they have (1) a proceeding pending before the Immigration Court or the Board of Immigration Appeals or (2) a pending motion to reopen or reconsider filed on or before May 12, 1999. Thus, Haitian nationals who are in deportation, exclusion, or removal proceedings, and whose cases have not been administratively closed, are to file their HRIFA application with EOIR, not INS. Data on Haitian applicants are to be entered in EOIR's case-tracking system, the Automated Nationwide System for Immigration Review (ANSIR).

The deadline for principal applicants filing an application for adjustment of status under HRIFA was March 31, 2000. Dependents of principal applicants have no application deadline.

HRIFA Applications Received by INS

As of September 30, 2000, INS data showed that INS had received 35,257 HRIFA applications at the Nebraska Service Center. Of these, 215 were being processed in the mail room or were awaiting data-entry processing. The remaining 35,042 had been entered into CLAIMS, and the categories and numbers of these applicants are shown in table 1. As of September 30, 2000, INS had approved 263 applications for adjustment of status under HRIFA.

Objectives, Scope, and Methodology

Our objectives for this report were to determine (1) the number and categories of applicants who filed applications with INS or EOIR, and (2) the number and categories of applicants whose applications were approved by INS or EOIR. To fulfill these objectives, we relied on INS and EOIR to provide us with data on applicants and the number of approvals. We conducted our work between September and October 2000, in accordance with generally accepted government auditing standards.

We provided the Department of Justice with a draft of this report for comment and received informal comments on October 20, 2000. In their oral comments, INS and EOIR officials

agreed with the information in the report, and their technical comments were incorporated where appropriate.

We are providing copies of this report to the Honorable Janet Reno, Attorney General, and will make copies available to others upon request. If you have any questions about this report, please contact Evi L. Rezmovic or me at (202) 512-8777. The key contributor to this assignment was Linda Watson.
