
Employee Notification Regarding Third Party Interviews

You are not currently the subject of this investigation. However, you may be held responsible for any false statements you make or for any violation of the IRS Rules of Conduct that you admit. Therefore, if at any time during the interview you reasonably believe that you may be subjected to discipline as a result of your statements, you may request representation by the National Treasury Employees Union. If such a request is denied by the Employer, and if that denial is later found, by an arbitrator or the Federal Labor Relations Authority, to have been improper, any statements you made after requesting Union representation may not be used against you in any disciplinary action or proceeding.

I acknowledge receipt of the aforementioned notification of my rights.
