| Misc/Lone ⁵ | MT | 0 | 0 | 0 | | 1 | | | 1 | 1 | | 5 | 1 | | |
| Total | | 51 | 33 | 84 | 0 | 4 | 4 | 3 | 3 | 3 | 5 | 8 | 5 | 1 | 4 |

¹ Includes 3 wolves killed in control actions.

² Does not include pups that disappeared before winter.

³ Collared wolves that became missing in 2001

⁴ Underlined packs are counted as breeding pairs toward recovery goals.

⁵ Wolf numbers indicate collared lone wolves. An uncollared lone wolf killed 5 calves and attacked one sheep near Augusta, MT.
