¹ Estimates are based only on children 3 to 5 years old who have not entered kindergarten.

² Center based programs include day care centers, nursery schools, prekindergarten, preschools and Head Start programs.

NOTE: Row percents for nonparental and parental care do not add to 100.0 because some children participated in more than one type of nonparental arrangement. Some

data have been revised from previously published figures. Detail may not sum to totals due to rounding.
