

Unweighted Response Rates for NHANES 2005-2006 by Race/Ethnicity and Age.

Note: Two SPs' gender is not clear. So sum of male SP total plus female SP total is 2 less than total SP.

And sum of weighted male total plus weighted female total is 17561 less than total weighted number.

Gender/ Race	Age(group)	Unweighted Sample Size	Interviewed Sample		Examined Sample	
			Sample Number	Unweighted Response	Sample Number	Unweighted Response
Total						
	All ages	12,862	10,348	80.45	9,950	77.36
