#### 1993 NATIONAL STUDY OF POSTSECONDARY FACULTY (NSOPF) INSTITUTION QUESTIONNAIRE

**General Instructions** 

Obtaining counts of different kinds of faculty/staff is an important part of NSOPF-93. The institution questionnaire seeks information about full- and part-time instructional faculty and other instructional personnel, as well as non-instructional faculty in 2- and 4-year (and above) higher education institutions of all types and sizes. Section I pertains to **full-time** 

**instructional faculty/staff**, Section II pertains to **full-time non-instructional faculty**, and Section III pertains to **part-time instructional faculty/staff**. For more information on who to include or exclude in each of the sections of this questionnaire, please refer to the glossary below and/or the introduction at each section. Since we are asking about full- and part-time, and permanent and temporary faculty/staff as defined by your institution, please write in those definitions in the space provided in the glossary.

Most questions ask you to fill in information; write in the number in the space provided. Other questions ask you to circle a number to indicate your response; circle the number in front of the response, and not the response itself. Please read each question carefully and follow all instructions. Some of the questions may not appear to fit your institution precisely; if you have a response other than those listed for a particular question, write in that response.

Many questions ask about the 1992 Fall Term. By this, we mean whatever academic term was in progress on **October 15**, **1992**. If your institution has multiple campuses, answer only for the campus named in the label on the back of the questionnaire.

Please keep track of who fills out this questionnaire and fill in this information on page 20. Mailing instructions for the completed questionnaire are also on page 20.

If you have any questions on how to proceed if your institution has both lay faculty and those assigned by a religious order, or if you have other questions, please call NORC toll-free at 1-800-733-NORC.

#### Glossary

**Instructional faculty/staff**--All <u>institutional</u> staff (faculty and non-faculty) whose major regular assignment at this institution (more than 50%) is <u>instruction</u>. This corresponds to the IPEDS definition. Individuals do not need to have a dedicated instructional assignment to be included in this category. Be sure to include (1) administrators whose major responsibility is instruction; (2) individuals with major instructional assignments who have temporary, adjunct, acting or visiting status; (3) individuals whose major regular assignment is instruction but who have been granted release time for other institutional activities; and (4) individuals whose major regular assignment is instruction but who are on sabbatical from your institution.

Please do <u>not</u> include: Graduate or undergraduate teaching assistants, postdoctoral appointees, temporary replacements for personnel on sabbatical leave, instructional personnel on leave without pay or teaching outside the U.S., military personnel who teach only ROTC courses, and instructional personnel supplied by independent contractors.

**Non-instructional faculty**--All <u>institutional</u> staff who have faculty status but would not be included as instructional faculty since their specific and major regular assignment is <u>not</u> instruction but may be for the purpose of conducting research, performing public service, or carrying out administrative functions of the institution.
