This document was developed under a grant from the Office of Child Support Enforcement to the Colorado Department of Social Services-The Colorado Child Support Improvement Grant (91-4-PI-CO-008). Points of view expressed herein are those of the authors and do not necessarily represent the official position or policies of the OCSE, the Colorado Department of Social Services or the Denver Division of Child Support.

## **Acknowledgements**

The Child Support Improvement Demonstration Project was awarded to the Colorado Division of Child Support Enforcement which is directed by Kathryn A. Stumm. The project was administered by the Denver Division of Child Support under the direction of John Bernhart. Both Ms. Stumm and Mr. Bernhart were extremely committed to the project and provided invaluable support and direction.

The project manager was Robert Conklin of the Denver Division of Child Support. Mr. Conklin was instrumental to all phases of project operation and we are indebted to him for his commitment, energy and tact. He was ably assisted by Elaine Gonzales, Gretchen Cooper, M.S.W., and Tamara Martinez. Thanks also to Andrea Baugher and Donna Crow of the Colorado Division of Child Support Enforcement.

Many individuals at the Colorado Department of Health and Environment assisted Mr. Conklin and us in implementing and evaluating the in-hospital paternity program. Thanks are due to Mr. Joseph Carney, Ms. Linda Eisnach and Dr. Carol Garrett of the Division of Health Statistics and Vital Records. We also appreciate the work of Mr. Mike Morris and Ms. Jan Eccar of the Colorado Department of Health and Environment.

We wish to recognize the contribution of certain individuals at the hospitals participating in this demonstration project. They helped to expedite the introduction of in-hospital paternity acknowledgement procedures, provided guidance on project operations and assisted us with implementation issues and problems. Thanks go to Dr. Paul Melinkovich, Rhonda Holloway, R.N., Tobi Flippo, R.N. and Jane Labie-McGivney of Denver General Hospital; Sue Brown, R.N., Kimberly Rimbart and Janice Reeves of St. Joseph Hospital; Gwen Williams, Susan Thorp and Dr. Catherine Stevens-Simon of University Hospital; and Ladora Patterson and Dr. Timothy E. Dudley of Mercy Hospital. Ms. Gloria Montgomery interviewed unmarried mothers at Denver General Hospital.

Finally, we thank our project officer, Ms. Barbara C. Cleveland of the Office of Child Support Enforcement, for her support, interest and patience.
