(b) Rescind the contract with respect to which:

- 1) The contractor or someone acting for the contractor has been convicted for an offense where the conduct constitutes a violation of subsection 27 (a) or (b) of the Act for the purpose of either:
 - a) Exchanging the information covered by such subsections for anything of value; or
 - b) Obtaining or giving anyone a competitive advantage in the award of a Federal agency procurement contract; or

The total final prices established in accordance with the incentive price revision provisions of the contract award and such reduced price shall be the total final contract price.
