<sup>1</sup>Includes pregnancies ending in fetal loss, not shown separately.<sup>2</sup>Includes black and other races.<sup>3</sup>Includes all persons of Hispanic origin of any race.

NOTES: Marital status is the woman's status as of the date the pregnancy ended, rather than at the time of conception. Rates for 1990 and 1991 have been revised on the basis of new information from the 1995 National Survey of Family Growth. The revised estimates differ from those previously published (4). See Technical notes.
