

**SUBPART 225.8—OTHER INTERNATIONAL AGREEMENTS AND
COORDINATION**

(Revised May 12, 2006)

225.802 Procedures.

(b) Information on memoranda of understanding and other international agreements is available at PGI 225.802(b).

225.802-70 Contracts for performance outside the United States and Canada. Follow the procedures at PGI 225.802-70 when placing a contract requiring performance outside the United States and Canada. Also see Subpart 225.74, Defense Contractors Outside the United States.

225.802-71 End use certificates.

Contracting officers considering the purchase of an item from a foreign source may encounter a request for the signing of a certificate to indicate that the Armed Forces of the United States is the end user of the item, and that the U.S. Government will not transfer the item to third parties without authorization from the Government of the country selling the item. When encountering this situation, refer to DoD Directive 2040.3, End Use Certificates, for guidance.

225.870 Contracting with Canadian contractors.

225.870-1 General.

(a) The Canadian Government guarantees to the U.S. Government all commitments, obligations, and covenants of the Canadian Commercial Corporation under any contract or order issued to the Corporation by any contracting office of the U.S. Government. The Canadian Government has waived notice of any change or modification that may be made, from time to time, in these commitments, obligations, or covenants.

(b) For production planning purposes, Canada is part of the defense industrial base (see 225.870-2(b)).

(c) The Canadian Commercial Corporation will award and administer contracts with contractors located in Canada, except for—

(1) Negotiated acquisitions for experimental, developmental, or research work under projects other than the Defense Development Sharing Program;

(2) Acquisitions of unusual or compelling urgency;

(3) Acquisitions at or below the simplified acquisition threshold; or

(4) Acquisitions made by DoD activities located in Canada.

(d) For additional information on production rights, data, and information; services provided by Canadian Commercial Corporation; audit; and inspection, see PGI 225.870-1(d).

225.870-2 Solicitation of Canadian contractors.

(a) Except for acquisitions described in 225.870-1(c)(1) through (4), include Canadian firms on solicitation mailing lists and comparable source lists only at the request of the Canadian Commercial Corporation.

(b) Include Canadian planned producers under the Industrial Preparedness Production Planning Program on solicitation mailing lists for their planned items (see FAR 14.205-1).

(c) Send solicitations directly to Canadian firms appearing on the appropriate solicitation mailing lists. Send a complete copy of the solicitation and a listing of Canadian firms solicited to the Canadian Commercial Corporation, 11th Floor, 50 O'Connor Street, Ottawa, Ontario, K1A-0S6, Canada.

(d) If requested, furnish a solicitation to the Canadian Commercial Corporation even if no Canadian firm is solicited.

(e) Handle acquisitions at or below the simplified acquisition threshold directly with Canadian firms and not through the Canadian Commercial Corporation.

225.870-3 Submission of offers.

(a) As indicated in 225.870-4, the Canadian Commercial Corporation is the prime contractor. To indicate acceptance of offers by individual Canadian companies, the Canadian Commercial Corporation issues a letter supporting the Canadian offer and containing the following information:

(1) Name of the Canadian offeror.

(2) Confirmation and endorsement of the offer in the name of the Canadian Commercial Corporation.

(3) A statement that the Corporation shall subcontract 100 percent with the offeror.

(b) When a Canadian offer cannot be processed through the Canadian Commercial Corporation in time to meet the date for receipt of offers, the Corporation may permit Canadian firms to submit offers directly. However, the contracting officer shall receive the Canadian Commercial Corporation's endorsement before contract award.

(c) The Canadian Commercial Corporation will submit all sealed bids in terms of U.S. currency. Do not adjust contracts awarded under sealed bidding for losses or gains from fluctuation in exchange rates.

(d) Except for sealed bids, the Canadian Commercial Corporation normally will submit offers and quotations in terms of Canadian currency. The Corporation may, at the time of submitting an offer, elect to quote and receive payment in terms of U.S. currency, in which case the contract—

(1) Shall provide for payment in U.S. currency; and

(2) Shall not be adjusted for losses or gains from fluctuation in exchange rates.

225.870-4 Contracting procedures.

(a) Except for contracts described in 225.870-1(c)(1) through (4), award individual contracts covering purchases from suppliers located in Canada to the Canadian Commercial Corporation, 11th Floor, 50 O'Connor Street, Ottawa, Ontario, Canada, K1A-0S6.

(b) Direct communication with the Canadian supplier is authorized and encouraged in connection with all technical aspects of the contract, provided the Corporation's approval is obtained on any matters involving changes to the contract.

(c) Identify in the contract, the type of currency, i.e., U.S. or Canadian. Contracts that provide for payment in Canadian currency shall--

(1) Quote the contract price in terms of Canadian dollars and identify the amount by the initials "CN", e.g., \$1,647.23CN; and

(2) Clearly indicate on the face of the contract the U.S./Canadian conversion rate at the time of award and the U.S. dollar equivalent of the Canadian dollar contract amount.

225.870-5 Contract administration.

Follow the contract administration procedures at PGI 225.870-5.

225.870-6 Termination procedures.

When contract termination is necessary, follow the procedures at 249.7000.

225.870-7 Acceptance of Canadian supplies.

For information on the acceptance of Canadian supplies, see PGI 225.870-7.

225.870-8 Industrial security.

Industrial security for Canada shall be in accordance with the U.S.-Canada Industrial Security Agreement of March 31, 1952, as amended.

225.871 North Atlantic Treaty Organization (NATO) cooperative projects.

225.871-7 Congressional notification.

Defense Federal Acquisition Regulation Supplement

Part 225—Foreign Acquisition

(a) Congressional notification is required when DoD makes a determination to award a contract or subcontract to a particular entity, if the determination was not part of the certification made under 22 U.S.C. 2767(f) before finalizing the cooperative agreement.

(1) Departments and agencies shall provide a proposed Congressional notice to the Director of Defense Procurement and Acquisition Policy in sufficient time to forward to Congress before the time of contract award.

(2) The proposed notice shall include the reason it is necessary to use the authority to designate a particular contractor or subcontractor.

(b) Congressional notification is also required each time a statutory waiver under 225.871-4 is incorporated in a contract or a contract modification, if such information was not provided in the certification to Congress before finalizing the cooperative agreement.

225.872 Contracting with qualifying country sources.

225.872-1 General.

(a) As a result of memoranda of understanding and other international agreements, DoD has determined it inconsistent with the public interest to apply restrictions of the Buy American Act or the Balance of Payments Program to the acquisition of qualifying country end products from the following qualifying countries:

Australia
Belgium
Canada
Denmark
Egypt
Federal Republic of Germany
France
Greece
Israel
Italy
Luxembourg
Netherlands
Norway
Portugal
Spain
Sweden
Switzerland
Turkey
United Kingdom of Great Britain and Northern Ireland

(b) Individual acquisitions of qualifying country end products from the following qualifying countries may, on a purchase-by-purchase basis (see 225.872-4), be exempted from application of the Buy American Act and the Balance of Payments Program as inconsistent with the public interest:

Austria

Finland

(c) The determination in paragraph (a) of this subsection does not limit the authority of the Secretary concerned to restrict acquisitions to domestic sources or reject an otherwise acceptable offer from a qualifying country source when considered necessary for national defense reasons.

225.872-2 Applicability.

(a) This section applies to all acquisitions of supplies except those restricted by—

(1) U.S. National Disclosure Policy, DoDD 5230.11, Disclosure of Classified Military Information to Foreign Governments and International Organizations;

(2) U.S. defense mobilization base requirements purchased under the authority of FAR 6.302-3(a)(2)(i), except for quantities in excess of that required to maintain the defense mobilization base. This restriction does not apply to Canadian planned producers.

(i) Review individual solicitations to determine whether this restriction applies.

(ii) Information concerning restricted items may be obtained from the Deputy Under Secretary of Defense (Industrial Affairs);

(3) Other U.S. laws or regulations (e.g., the annual DoD appropriations act); and

(4) U.S. industrial security requirements.

(b) This section does not apply to construction contracts.

225.872-3 Solicitation procedures.

(a) Include qualifying country sources on solicitation mailing lists upon their request (see FAR 14.205).

(b) Except for items developed under the U.S./Canadian Development Sharing Program, use the criteria for soliciting and awarding contracts to small business concerns under FAR Part 19 without regard to whether there are potential qualifying country sources for the end product. Do not consider an offer of a qualifying country end product if the solicitation is identified for the exclusive participation of small business concerns.

(c) Send solicitations directly to qualifying country sources. Solicit Canadian sources through the Canadian Commercial Corporation in accordance with 225.870.

(d) Use international air mail if solicitation destinations are outside the United States and security classification permits such use.

(e) If unusual technical or security requirements preclude the acquisition of otherwise acceptable defense equipment from qualifying country sources, review the

Defense Federal Acquisition Regulation Supplement

Part 225—Foreign Acquisition

need for such requirements. Do not impose unusual technical or security requirements solely for the purpose of precluding the acquisition of defense equipment from qualifying countries.

(f) Do not automatically exclude qualifying country sources from submitting offers because their supplies have not been tested and evaluated by the department or agency.

(1) Consider the adequacy of qualifying country service testing on a case-by-case basis. Departments or agencies that must limit solicitations to sources whose items have been tested and evaluated by the department or agency shall consider supplies from qualifying country sources that have been tested and accepted by the qualifying country for service use.

(2) The department or agency may perform a confirmatory test, if necessary.

(3) Apply U.S. test and evaluation standards, policies, and procedures when the department or agency decides that confirmatory tests of qualifying country end products are necessary.

(4) If it appears that these provisions might adversely delay service programs, obtain the concurrence of the Under Secretary of Defense (Acquisition, Technology, and Logistics), before excluding the qualifying country source from consideration.

(g) Permit industry representatives from a qualifying country to attend symposia, program briefings, prebid conferences (see FAR 14.207 and 15.201(c)), and similar meetings that address U.S. defense equipment needs and requirements. When practical, structure these meetings to allow attendance by representatives of qualifying country concerns.

225.872-4 Individual determinations.

If the offer of an end product from a qualifying country source listed in 225.872-1(b), as evaluated, is low or otherwise eligible for award, prepare a determination and findings exempting the acquisition from the Buy American Act and the Balance of Payments Program as inconsistent with the public interest, unless another exception such as the Trade Agreements Act applies. Follow the procedures at PGI 225.872-4.

225.872-5 Contract administration.

(a) Arrangements exist with some qualifying countries to provide reciprocal contract administration services. Some arrangements are at no cost to either government. To determine whether such an arrangement has been negotiated and what contract administration functions are covered, contact the Deputy Director of Defense Procurement and Acquisition Policy (Program Acquisition and International Contracting), ((703) 697-9351, DSN 227-9351).

(b) Follow the contract administration procedures at PGI 225.872-5(b).

(c) Information on quality assurance delegations to foreign governments is in Subpart 246.4, Government Contract Quality Assurance.

225.872-6 Audit.

(a) Memoranda of understanding with some qualifying countries contain annexes that provide for reciprocal “no-cost” audits of contracts and subcontracts (pre- and post-award).

(b) To determine if such an annex is applicable to a particular qualifying country, contact the Deputy Director of Defense Procurement and Acquisition Policy (Program Acquisition and International Contracting), ((703) 697-9351, DSN 227-9351).

(c) Handle requests for audits in qualifying countries in accordance with 215.404-2(c), but follow the additional procedures at PGI 225.872-6(c).

225.872-7 Industrial security for qualifying countries.

The required procedures for safeguarding classified defense information necessary for the performance of contracts awarded to qualifying country sources are in the DoD Industrial Security Regulation DoD 5220.22-R (implemented for the Army by AR 380-49; for the Navy by SECNAV Instruction 5510.1H; for the Air Force by AFI 31-601; for the Defense Information Systems Agency by DCA Instruction 240-110-8; and for the National Imagery and Mapping Agency by NIMA Instruction 5220.22).

225.872-8 Subcontracting with qualifying country sources.

In reviewing contractor subcontracting procedures, the contracting officer shall ensure that the contract does not preclude qualifying country sources from competing for subcontracts, except when restricted by national security interest reasons, mobilization base considerations, or applicable U.S. laws or regulations (see the clause at 252.225-7002, Qualifying Country Sources as Subcontractors).

225.873 Waiver of United Kingdom commercial exploitation levies.

225.873-1 Policy.

DoD and the Government of the United Kingdom (U.K.) have agreed to waive U.K. commercial exploitation levies and U.S. nonrecurring cost recoupment charges on a reciprocal basis. For U.K. levies to be waived, the offeror or contractor shall identify the levies and the contracting officer shall request a waiver before award of the contract or subcontract under which the levies are charged.

225.873-2 Procedures.

When an offeror or a contractor identifies a levy included in an offered or contract price, follow the procedures at PGI 225.873-2.
