Request for Nominations of Candidates To Serve on the Board of Scientific Counselors, National Center for Environmental Health/Agency for Toxic Substances and Disease Registry, Centers for Disease Control and Prevention, Department of Health and Human Services

The National Center for Environmental Health/Agency for Toxic Substances and Disease Registry (NCEH/ATSDR) is soliciting nominations for possible membership on the Board of Scientific Counselors. This Board provides advice and guidance to the Secretary, Department of Health and Human Services (HHS); the Director, Centers for Disease Control and Prevention (CDC); and the Director, NCEH/ATSDR, regarding program goals, objectives, strategies, and priorities in fulfillment of the agencies' mission to protect and promote people's health. The Board provides advice and guidance to help NCEH/ATSDR work more efficiently and effectively with its various constituents and to fulfill its mission in protecting America's health.

Nominations are being sought for individuals who have expertise and qualifications necessary to contribute to the accomplishments of the Board's objectives. Nominees will be selected from experts having experience in preventing human diseases and disabilities caused by environmental conditions. Experts in the disciplines of toxicology, epidemiology, environmental or occupational medicine, behavioral science, risk assessment, exposure assessment, and experts in public health and other related disciplines will be considered. Consideration is given to representation from diverse geographic areas, gender, ethnic and minority groups, and the disabled. Members may be invited to

serve up to four-year terms. Nominees must be U.S. citizens.

The following information must be submitted for each candidate: Name, affiliation, address, telephone number, and current curriculum vitae. E-mail addresses are requested if available.

Nominations should be sent, in writing, and postmarked by January 9, 2006 to: Sandra Malcom, Committee Management Specialist, NCEH/ATSDR, Centers for Disease Control and Prevention, 1600 Clifton Road, NE., (MS-E28), Atlanta, Georgia 30333. Telephone and facsimile submissions cannot be accepted.

The Director, Management Analysis and Services Office, has been delegated the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities for both CDC and the National Center for Environmental Health/Agency for Toxic Substances and Disease Registry.

Dated: December 19, 2005.

Alvin Hall,

Director, Management Analysis and Services Office Centers for Disease Control and Prevention (CDC).

Designation of a Class of Employees for Addition to the Special Exposure Cohort

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: The Department of Health and Human Services (HHS) gives notice of a decision to designate a class of employees at the Linde Ceramics Plant, in Tonawanda, New York as an addition to the Special Exposure Cohort (SEC) under the Energy Employees Occupational Illness Compensation Program Act of 2000. On December 8, 2005, the Secretary of HHS designated the following class of employees as an addition to the SEC:

Atomic weapons employees who worked at the Linde Ceramic Plant from October 1, 1942, through October 31, 1947, and who were employed for a number of work days aggregating at least 250 work days, either solely under this employment or in

combination with work days of employment occurring within the parameters (excluding aggregate work day requirements) established for other classes of employees included in the SEC.

This designation will become effective on January 7, 2006, unless Congress provides otherwise prior to the effective date. After this effective date, HHS will publish a notice in the **Federal Register** reporting the addition of this class to the SEC or the result of any provision by Congress regarding the decision by HHS to add the class to the SEC.
