PROGRAM MEMORANDUM OVAE/DAEL FY 2009-02

TO: State Directors of Adult Education

FROM: Troy R. Justesen, Ed.D. *Troy Justesen*

SUBJECT: Extension of the Adult Education and Family Literacy Act

This memorandum describes our policy in implementing an extension of the Adult Education and Family Literacy Act (AEFLA). This action is necessary to give States as much advance notice and flexibility as possible in submitting any revisions needed in current State plans, including establishment of performance levels for the coming program year.

Need for Revising Current State Plans

State plans are required for States to receive allotments under AEFLA. Last year, the Office of Vocational and Adult Education (OVAE) approved a one-year extension of operating plans, but those extensions will expire on June 30, 2009. The States and OVAE need to agree upon new performance targets for the coming year, and the new targets must be incorporated into the existing State plans as a revision.

As you know, there is a great variation in adult education performance outcomes among the States. We have in place a data quality checklist that State directors must use to certify data accuracy when submitted to OVAE. Consistent with AEFLA, performance levels proposed for a future year must exceed the actual performance of the current year.

Requirements for Revising Current State Plans

Set forth here is the process to complete State plan revisions (see AEFLA sections 224(c) and (d)):

1. Revisions, including the agreed upon new performance targets, must be submitted to OVAE no later than April 1, 2009. Each State must indicate whether it intends to extend current grants for one year or conduct a one-year competition. Performance targets proposed must exceed actual performance measured in the prior year. It is advisable to discuss proposed targets with OVAE prior to
