Assistance to Individuals With Disabilities at the Technical Assistance Workshops

The meeting sites are accessible to individuals with disabilities. The Department will provide a sign language interpreter at each of the scheduled workshops. An individual with a disability who will need an auxiliary aid or service other than an interpreter to participate in the meeting (*e.g.*, assistive listening device, or materials in alternate format) should notify the contact person listed in the **FOR FURTHER INFORMATION CONTACT** section at least two weeks before the scheduled workshop date. Although we will attempt to meet a request received after this date, the requested auxiliary aid or service may not be available because of insufficient time to arrange it.

There is no pre-registration for these workshops. For additional workshop information, you may visit the Teacher Quality website at: <http://www.ed.gov/offices/OPE/heatqp/index.html> or contact the person designated as contact for each workshop site listed.
