What Is the Authority for the Advisory Committee?

The National Advisory Committee on Institutional Quality and Integrity is established under Section 114 of the Higher Education Act (HEA), as amended, 20 U.S.C. 011c. One of the purposes of the Advisory Committee is to advise the Secretary of Education on the recognition of accrediting agencies and State approval agencies.

Will This Be My Only Opportunity To Submit Written Comments?

Yes, this notice announces the only opportunity you will have to submit written comments. However, a subsequent **Federal Register** notice will announce the meeting and invite individuals and/or groups to submit requests to make oral presentations before the Advisory Committee on the agencies that the Committee will review. That notice, however, does not offer a second opportunity to submit written comments.

What Happens to the Comments That I Submit?

We will review your comments, in response to this notice, as part of our evaluation of the agencies' compliance with Section 496 of the Higher Education Act of 1965, as amended, and the Secretary's Criteria for Recognition of Accrediting Agencies and State Approval Agencies. The Criteria are regulations found in 34 CFR part 602 (for accrediting agencies) and in 34 CFR part 603 (for State approval agencies) and are found at the following site: <http://www.ed.gov/admins/finaid/accred/index.html>. We will also include your comments with the staff analyses we present to the Advisory Committee at its June 2006 meeting. Therefore, in order for us to give full consideration to your comments, it is important that we receive them by March 8, 2006.

In all instances, your comments about agencies seeking continued recognition and/or an expansion of an agency's scope of recognition must relate to the Criteria for Recognition. In addition, your comments for any agency whose interim report or progress report is scheduled for review must relate to the issues raised and the Criteria for Recognition cited in the Secretary's letter that requested the interim report.

What Happens to Comments Received After the Deadline?

We will review any comments received after the deadline. If such comments, upon investigation, reveal that the accrediting agency or State approval agency is not acting in accordance with the Criteria for

Recognition, we will take action either before or after the meeting, as appropriate.

What Agencies Will the Advisory Committee Review at the Meeting?

The Secretary of Education recognizes accrediting agencies and State approval agencies for public postsecondary vocational education and nurse education if the Secretary determines that they meet the Criteria for Recognition.
