VI. Award Administration Information

1. **Award Notices:** If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may also notify you informally.

If your application is not evaluated or not selected for funding, we notify you.

2. **Administrative and National Policy Requirements:** We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. **Reporting:** At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. The results of its evaluation must be reported in its required annual progress report. The cooperative agreement for this project will further describe the reporting requirements. In addition, the annual report must include information on the percentage of training participants who report an increase in their knowledge, skills, and abilities and the percentage of training participants who report the training is relevant to their employment. The data on these measures will be collected by the grantee via survey, assessed, and reported in the aggregate to RSA. The grantee will negotiate targets with RSA after the first year, which will be used to establish a baseline.
